BUSINESS FEATURE

Give your business standout status with one of our 3-sided pop-up Visitor Center kiosks. We'll feature several of these informational promotions throughout the lobby, each with a full side dedicated to your business and two additional sides depicting prominent Woodinville venues, attractions or activities. You'll have complete control over the design and artwork of your featured pop-up component.

\$3,500 / Annual

BUSINESS SPOTLIGHT

Our Visitor Center spotlight uses eight distinctive cubes to focus attention on participating Woodinville businesses. As a spotlight business, you'll have the opportunity to fill your cube with your choice of marketing materials—rack cards, coupons, tangible items—or anything that helps highlight your unique offering to visitors.

\$1,500 / Annual
