

GROW YOUR SALES IMMEDIATELY

1/6/2022
@ 7:30 AM

We are bringing in an outside speaker to conduct an advanced sales training workshop for our team.

Some of the topics that may be covered at your workshop include:

- Top Producer Mindset & Staying Motivated
- Streamlining Systems
- Handling Objections & Excuses
- Eliminating Procrastination
- Multiplying Time
- Sales Psychology
- Breaking Belief Barriers
- Creative Prospecting
- Mastering Referrals

+ Plus, you will walk away with practical ideas to more effectively manage your time and have better work-life balance.

Kaylie Pierre

Kaylie has a passion for helping people achieve their goals and overcome their limiting beliefs. She believes life is about continually growing and transforming into better versions of ourselves—and then using our experiences and knowledge to help other people grow and transform, as well. Kaylie has over 7 years of experience mentoring and coaching people to build their direct sales businesses. She has mentored and led a team of over 100 people who were building their own enterprises. She has spent hundreds of hours mentoring people one-on-one, helping them set goals and take steps toward achieving those objectives.

INCREASE YOUR INCOME • STAY MOTIVATED • BETTER MANAGE YOUR TIME
